Police officer on duty in a marked vehicle was flagged down by a motorist on the Hardy toll road and was informed that there was a vehicle traveling the wrong way on the Hardy Toll Road. Officer drove onto the Hardy Toll Road and observed the vehicle driving at a high speed on the wrong side of the toll road. The wrong way driver was traveling north bound in the south bound lanes of traffic. Officer was driving parallel to the wrong way motorists while traveling north bound in the north bound lanes, activated emergency equipment to see if the driver would stop or turn around, the driver failed to stop or turn around. The officer then pulled ahead of the wrong way motorist, exited the toll road and made a U-turn onto the south bound entrance ramp of the Hardy Toll Road. While entering the toll road main lanes with emergency equipment activated, the officer observed the wrong way motorists traveling north bound in same lane as the officer's vehicle. The wrong way vehicle swerved into the second lane, passing the police vehicle still traveling the wrong way. Officer notified the dispatcher and relayed an update of the wrong way driver's location.
