Under Restraint: Yes, mark which restraint devices were used

Type of restraint

Type of Restraint: Handcuffs

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On April 23, 2017, at approximately 9:00 p.m., the subject was involved in a vehicle accident in the intersection of Illinois Avenue and Hampton Road. Patrol officers responded and began working the accident. An officer, who is on the DWI squad, responded to test the subject. The subject was field tested, determined to be intoxicated, and placed under arrest at approximately 10:10 p.m. The DWI squad officer transported the subject to Parkland Hospital where he was admitted and had his blood drawn. He then went to Lew Sterrett jail to complete the arrest reports.

At approximately 2:10 a.m., April 24, 2017, the subject died while at the hospital. The officer was notified and he, in turn, notified his chain of command. The subject had been treated and released at the scene by DFR. The subject had sustained injuries from the vehicle accident. There was no force used on the subject, only handcuffing after the DWI field test. The other driver involved in the accident was not transported by DFR. The officer's dash camera was recording during his entire encounter with the subject. At least 1 patrol officer had a body camera. The Dallas County Medical Examiner is conducting an autopsy of the subject.
