Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On August 12, 2017 at approximately 1630, resident Nacaya Matthews was placed into her room following an altercation she initiated with a peer. According to video surveillance, juvenile supervision officers enter Ms. Matthews' room at approximately 1634 to conduct a room search. Officers exit Ms. Matthews' room (D2), at 1636, leaving Ms. Matthews alone inside of her room. At approximately 1701, a female resident is in the dayroom talking to resident Matthews from outside the door and passes what appears to be a piece of tissue under the door to resident Matthews. At approximately 1712, a visual observation check is conducted on Ms.

Matthews by the JSO. The JSO talked to Ms. Matthews from approximately 1712-1713, but according to the JSO, she did not have a full view of resident Matthews because she (Matthews), placed a piece of toilet paper over her window obstructing the officer's view into the room. At approximately 1732, the JSO conducts another visual observation check. The toilet paper is still on the window. The JSO calls for assistance because resident Matthews did not respond to her verbal request to remove the toilet paper from the window. Another JSO arrives in delta unit at approximately 1735 and proceeds to open the door where she finds Nacaya Matthews hanging from the vent inside of her room. Resident Nacaya Matthews was non-responsive. RRJJC staff called medical emergency and held Ms. Matthews up while assisting RRJJC staff cut her down and immediately started life saving measures until EMS arrived and transported her to the local hospital where she was pronounced dead by the local JP. The Milam County Sheriff's Department, Texas Rangers, and TJJD AID, were all notified and are currently investigating this incident.
