Summary:

On July 14, 2022, Officers with the Houston Police Department were dispatched to 5501 Bretshire to assist the Houston Fire Department with a combative patient. Officers were asked to respond to the scene to assist with gaining control of the subject. Officers arrived and handcuffed the male to the gurney. The male was transported to LBJ Hospital by HFD medics for treatment. Upon arrival at the hospital, he was given a sedative to calm him down so that doctors could provide treatment. Shortly after receiving the sedative, the male lost consciousness and vitals. Officers unhandcuffed the male so that doctors could provide treatment; however, he was not able to be revived and was pronounced deceased by the treating physicians. The autopsy results are pending with the cause of death to be determined.
