Summary:

On May 4th 2022, at approximately 6:38am jailers at the Carrizalez/Rucker Detention center were conducting a visual walkthrough when they were informed by some inmates that one of the inmates in their cell had been feeling sick. Jailers approached the bunk where the female was laying down and attempted to wake her up. The inmate identified as Lidia Glover 05/09/1963 was unresponsive. EMS was called to location and they transported her to the Valley Regional Medical Center in Brownsville where she was pronounced dead at 7:27am. Cameron County Sheriff's Office Investigators and Texas Ranger Patrick O'Connor responded to the Valley Regional Hospital and began an investigation.
On Thursday May 5th 2022, Investigator Alberto Renteria and Texas Ranger Antonio Rocha attended the Autopsy of the deceased Lidia Glover. Dr. Miller who preformed the autopsy mentioned she found some white dead skin on Ms. Grover's stomach lining which is defined as a finding that causes her to believe Ms. Grover passed of Congestive Heart Failure. Dr. Miller also noted Ms. Grover's liver had different shade of color and different characteristics that she describe to be a 2nd finding of Congestive Heart Failure.
