Attempt gain possession officer's weapon:	No		

Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint:	No

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On April 27th, 2023, Lubbock Police Officers responded to a call for service reference an aggravated robbery. A citizen reported that an unknown suspect in a black Silverado robbed him with a shotgun. As officers responded, further information was gathered that the suspect was in the area in the same vehicle. The citizen provided a vehicle description, license plate, and even stated that they observed the suspect vehicle still in the area.

The first officers arrived on scene and located the suspect vehicle in the area. When officers began to initiate a stop on the suspect, he fled in the vehicle. A vehicle pursuit was initiated, which continued on for several minutes.

While officers were pursuing the suspect in marked Lubbock Police Department vehicles (with lights and sirens activated), the suspect lost control of his vehicle. The suspect vehicle crossed several lanes of travel and flipped.

Upon officer's approach, they observed the suspect to be obviously deceased. The injuries appeared consistent with a self inflicted gunshot to the head. Officers also located a shotgun inside the passenger compartment of the vehicle with a freshly spent shotgun shell still in the chamber. EMS pronounced the suspect deceased on scene.
