Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint: Yes, mark which restraint devices were used

Type of restraint

Type of Restraint: Handcuffs

## Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On 12/02/2024 at approximately 10:36AM, Kimberling Farreras Quinonez was stopped on a traffic stop and ultimately arrested for Possession of a Controlled Substance. Farreras Quinonez was transported to the Irving Municipal Jail. While sitting in the sally port area of the jail during book-in, Officers noticed a pink powder coming out of Farreras Quinonez's left pant leg and falling onto the floor. Farreras Quinonez informed Irving Detention Officers that there was a bag of "Tusi" inside of her vagina. During a subsequent strip search, a

ripped bag was located that contained 8.7 grams of the pink powder (which later tested positive for Ketamine). Farreras Quinonez then informed the jail staff that she was 2 months pregnant. Irving Police transported Farreras Quinonez to Baylor Medical Center Irving for medical care where it was determined that she was no longer pregnant; however, the date, time and cause of death could not be determined.
