Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint: No

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On September 7, 2024, at about 8:15 PM, witnesses observed the suspect knocking on apartment H205 and trying to open the door. He then climbed into the balcony and attempted to open the sliding glass door. He then returned to the front door and began banging on the door with a handgun in his hand. The witness called

the resident of the apartment, whom he was friends with, and asked if he was home. The homeowner informed him that he was not home and to call the police. The witness called 911 and described the suspect as an intoxicated, dark skin Hispanic male in his early 20's wearing a black cap, red shirt, blue jeans, and a black 9mm handgun. Officers arrived at 8:28 PM and they observed the suspect matching the description standing on the second-floor balcony near the front door of the apartment next door to H205, apartment H206. They gave him commands in English and Spanish to show his hands and he then began to reach for something in his waistband. As the officers shouted, "no", he continued to pull a handgun out of his waistband and pointed in the direction of the officers. The officers then both shot at the suspect striking him multiple times. Officers initiated CPR until DFR arrived. Suspect was placed in an ambulance where he was pronounced deceased. DFR transported him to the Medical Examiner's office.
