Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint: No

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On March 23, 2025, San Antonio Police Officers were dispatched to 6507 Tahoka Blvd for an assault in progress. Caller information was from a family member of the decedent, stating the decedent was assaulting the decedent's girlfriend. When the officers arrived, they were directed to the location and knocked on the door. The decedent conversed with the officers, however, through the door as he initially wouldn't open it. Officers requested that the decedent step outside so they could speak with him; however, the decedent refused. The decedent eventually cracked the door open slightly. Officers continued to talk with the decedent to ascertain the status of the female inside. The decedent would not allow the officers to speak or observe the female. Believing a victim of family violence was inside, the officer pushed the door open and in doing so the decedent fell to the ground. The officer then entered the residence and observed the decedent holding a large machete-style knife only feet away. The decedent appeared to be swinging the blade. Fearing for his safety and the safety of the others around him, the officer fired his service weapon several times at the decedent. The gunfire struck the decedent. EMS transported the decedent to University Hospital, where he would ultimately succumb to his injuries.
