Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

The Grand Prairie Police Department received a 911 call from a screaming female involved in an active disturbance as she traveled west on IH-30 from Dallas in a vehicle. The female stated her intoxicated boyfriend, who was driving, was armed with a handgun and was assaulting her as they were driving. The female believed she was going to be seriously harmed and was in fear of her life. Officers located the vehicle exiting IH-30 at Belt Line Road where the suspect came to a stop in a gas station parking lot. Still engaged in an active disturbance, the female exited the passenger side as an officer ran to the vehicle to protect her. Knowing the suspect was armed, he was given multiple commands to show officers his empty hands and comply with police. The suspect refused and began reaching back inside the vehicle. Fearing for his life and the life of the female, the officer discharged his firearm, striking the suspect. A subsequent search of the area where the suspect was reaching yielded the loaded handgun. Officers provided life saving measures to the suspect who was transported to a local hospital for treatment. Medical staff later pronounced the suspect deceased. The female, who suffered injuries from the assault, was treated and released by medics.

According to witness statements, the suspect was firing the handgun multiple times out of the vehicle window prior to encountering officers.
