Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On July 27, 2024, Houston Police Department Westside Division Patrol Officers were dispatched to an Assault in Progress at 3:40 p.m. The suspect in the call slip was described as Hispanic male wearing a black hat, dark red shirt, black shorts, and may be intoxicated on drugs. Officers located Jesus Martin Marrero, hereinafter referred to as the decedent, at the intersection of the 10499 block of Club Creek Drive and the 9800 block of Beechnut Street who matched the description provided. Officers noted that the decedent was foaming at the mouth and acting erratically. Officers detained the decedent and placed him in handcuffs.

While in handcuffs, the decedent began kicking and swinging his head in an attempt to strike the officers as documented in Officer B. Finklestein's offense report, HPD Incident #1074116-24. Officers restrained the decedent to protect themselves and to get him medical attention.

During the detention, the decedent became unresponsive. Members of the Houston Fire Department (HFD) were requested to the scene. HFD personnel revived the decedent and transported him to Memorial Hermann Southwest Hospital where he received treatment. Officers made attempts to contact possible complainants of the assault but were unsuccessful.

On July 31, 2024, the decedent was pronounced deceased at 9:33 p.m. The decedent was not charged and was not in police custody at the time of his death. Assistant Medical Examiner Roger P. Milton Jr., M.D., with the Harris County Institute of Forensic Sciences completed an autopsy of the decedent on August 6, 2024. Dr. Milton ruled the cause of death to be "complications of cardiac dysrhythmia associated with acute cocaine toxicity and hypertensive cardiovascular disease during physical struggle with restraint. " Dr. Milton ruled the manner of death to be a homicide. This report documented under ML24-3099, was signed on August 15, 2025.
