Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On Wednesday, March 25, 2026, at approximately 1555 hours, a Houston Police Officer assigned to the South Gessner Patrol Division was dispatched toa call for a Suspicious Person with a Weapon regarding a male walking along the sidewalk, seen armed with a handgun and near a school. Upon arrival on the scene,

the officer encountered the male suspect and attempted to speak with him. Immediately upon the uniformed officer making contact with the suspect, the suspect produced a firearm (handgun) and began to shoot at the officer. The officer subsequently began discharging his duty weapon at the suspect. During this exchange of gunfire, both the officer and the suspect were struck by gunfire.

The suspect fell to the ground and the officer began to render aid to the suspect for his wounds, but the suspect was ultimately pronounced deceased on scene by the Houston Fire Department at 1612 hours. The Harris County Institute of Forensic Sciences was notified of this incident and sent investigator Jasmine Garcia to conduct the initial scene investigation. The Harris County Institute of Forensic Sciences conducted an autopsy of the decedent and ruled his death as a Homicide due to multiple gunshot wounds documented under ML26-1097.

The officer was treated on scene for a non-life-threatening wound he received from the suspect. No other parties were injured during this incident. The suspect was identified through the FBI via fingerprints with assistance from the Jordanian Embassy.
