Attempt gain possession officer's weapon:	No		

Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint: Yes, mark which restraint devices were used

Type of restraint

Type of Restraint: Handcuffs

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

Houston Police Department (HPD) officers assigned to the Westside Gang Unit developed probable cause to initiate a traffic stop using emergency equipment at approximately 2:09 pm, on April 9, 2026. The driver,

Decedent Jeremy Smith, refused to stop, leading to a vehicle pursuit. An HPD Gang Unit officer attempted to block Smith's path with their vehicle, but Smith struck the vehicle while the officer was still inside in an attempt to escape.

Officers stopped the vehicle and detained Decedent Smith and his passenger at 2:12pm. The Harris County District Attorney's Office accepted charges on both occupants. The decedent was charged with Evading in a Motor Vehicle and Aggravated Assault with a Deadly Weapon, while the passenger, now co-defendant, was charged with Possession of a Controlled Substance – Penalty Group 1.

Both individuals were transported to the Harris County Joint Processing Center (JPC) separately, arriving at approximately 4:14 pm. During booking, the decedent began showing signs of a medical emergency around 4:58pm. The booking HPD officer and an HCSO detention officer escorted him to medical. While seated at medical, Decedent Smith was asked what was wrong and he stated, "Too much liquor". At 5:02 pm, he suffered a seizure and was placed on the floor in the recovery position.

The Houston Fire Department (HFD) was immediately contacted. While awaiting their arrival, the co-defendant informed those involved that Decedent Smith has ingested cocaine. After being advised of the possible ingestion, Narcan was administered. Medical staff continued treatment until HFD arrived and assumed care. HFD personnel placed him on a stretcher and transported him to a local hospital, where he was pronounced deceased at 6:18 pm.

Preliminary information received from the Harris County Institute of Forensic Sciences Medical Examiner indicates that the decedent's urinalysis was positive for cocaine and THC. Full toxicology and autopsy results are pending.
