Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On 05/25/2018, at approximately 2:07 am, a Dumas PD police officer responded to a residence involving the theft of a motor vehicle. While the officer was still at the scene, the stolen vehicle drove by the residence at a high rate of speed. The officer ran to his patrol vehicle and attempted to radio dispatch. The stolen vehicle stopped, made a U-turn and drove directly toward the patrol vehicle, deliberately striking the unit in the rear center. The officer, who had been sitting in his patrol vehicle, exited his unit just prior to impact. The officer feared for his life, drew his pistol and fired six rounds at the suspect just after the stolen vehicle impacted his patrol unit. The officer moved to the driver side door of the stolen vehicle and gave the suspect verbal commands to stop. The suspect quickly reversed and positioned the stolen vehicle to where it was pointing in the direction of the officer. The stolen vehicle then accelerated forward in the direction of the police officer. The officer ran out of the way of the accelerating stolen vehicle and narrowly escaped being struck by the vehicle. The officer fired an additional five rounds at the vehicle as he moved away from the path of the vehicle and immediately after it came to a stop next to him just a few feet

away. The suspect was struck by several rounds and was incapacitated. The suspect was airlifted to a hospital where he was later pronounced deceased.

The suspect was later identified as a 29-year old male. The police officer, a 23-year-old first-year officer, was uninjured and was placed on administrative leave pending the investigation.
