Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On November 28, 2018, at approximately 1:30 PM, a Texas Highway Patrol Trooper attempted to stop a vehicle driven by Antonio Jaso Aguilar for a traffic violation in Shelby County. Aguilar fled, and a pursuit ensued. During the pursuit, Aguilar rammed the THP unit, disabling the unit. Aguilar briefly exited the vehicle and fired at the Trooper with a rifle. The Trooper returned fire, but Aguilar was able to escape. Later that date, the suspect's vehicle was located in rural Shelby County near Center, Texas. An extensive search utilizing state, federal and local law enforcement as well as DPS Aircraft was conducted without success. A warrant was issued charging Aguilar with Attempted Capital Murder. Aguilar was added to the Texas Top Ten Most Wanted Fugitive list and a \$7,500.00 reward was offered for information about his whereabouts.

Over the next several days, Rangers, DPS CID, US Marshals, and numerous other state, federal and local law enforcement continued the search for Aguilar. Numerous interviews were conducted. Multiple structures and residences of family and associates were searched without success.

On December 1, 2018, the Center Police Department received information that Aguilar was located inside a residence in Center, Shelby County, Texas. The Lufkin Police Department SRT along with numerous local

officers responded to the residence and verified with the property owner that the fugitive was inside the residence armed with an assault rifle. A perimeter was established. Department of Public Safety Crisis Negotiation Unit members responded to assist. Utilizing Lufkin PD armor and a tactical robot, a throw phone was introduced into the residence and communication was established.

After several hours of negotiation, the suspect terminated communications. At approximately 12:24 AM, the front door of the residence was breached to allow access for the tactical robot. Once the robot was inside, the suspect reestablished communication for a brief time then left the throw phone off the hook and terminated communications. The suspect could be seen on video sitting on a bed armed with the rifle pointed toward the door.

At approximately 1:00 AM, Department of Public Safety tactical operators assumed operational control of the scene. The Crisis Negotiation Unit continued with intermittent contact with Aguilar, but the negotiations were not successful. As negotiations deteriorated, multiple measures were exhausted by the tactical operators in attempts to have the suspect surrender peacefully.

At approximately 3:00 AM, the decision was made to deploy chemical munitions into the structure. At approximately 3:46 AM, Aguilar emerged from the residence and began to fire a rifle at SOG personnel. Two SOG Operators returned fire, fatally striking the suspect. No officers were injured during the event.
