Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

It is my understanding, and in gist, Esther Wood contacted BCSO dispatch and advised she wanted to kill herself and was in possession of a weapon. Esther Wood further advised she lives with three roommates. Responding Deputies heard one gunshot while approaching the front of the residence. Deputies forced entry into the home through the front door and saw a female cross the hallway area into the living room where they were unable to maintain a visual on the female. A Deputy advised he called out to the female and asked her to talk to him and to tell him her name; the Deputy stated the female replied, "Don't come any closer or I'll shoot, my name is Esther". All Deputies were ordered to exit the residence; they retreated out of the home and secured a perimeter around the home. Deputies heard a second gunshot after they retreated out of the residence. Esther Wood was found later inside the residence with a gunshot wound to the head. An ambulance made the location and transported Esther Wood to the San Antonio Medical Center--Esther Wood was pronounced deceased at 1321 hours.. Esther Wood was subsequently transported to the Bexar County Medical Examiner's Office for autopsy. I was informed the cause of death has been ruled a gunshot wound to the head and the manner of death was ruled a suicide.
