Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On Saturday, August 8th, 2020 at approximately 9:01 PM, Officer Cotton #530 of the Bertram Police Department attempted to make a traffic stop on a suspected drunk driver. Officer Cotton had observed the vehicle traveling east on State Highway 29 from Burnet, Texas to Bertram, Texas. Officer Cotton noted that the vehicle was swerving and unable to maintain speeds. Upon activating the emergency lights on the marked patrol unit, the vehicle refused to stop. Officer Cotton then activated the siren as well as the emergency lights, in approximately the 1600 block of W SH 29. The vehicle then sped away from Officer Cotton in an obvious attempt to evade arrest/detention. The vehicle turned North on to E FM 243 and continued to evade at a high rate of speed, passing traffic on FM 243. The vehicle, driven by the decedent above, lost control and crashed at approximately the 1700 block of E FM 243,at the intersection of CR 270 and FM 243. The vehicle skidded at an angle into the guardrail on the East curb line of FM 243. The driver suffered massive internal injuries from the steering wheel as well as having both legs severed just below the knee from the fire wall. Officer Cotton attempted to render medical aid by applying a tourniquet to one of the legs while waiting on medical personnel. The decedent attempted to evade in a motor vehicle, lost control of his vehicle and caused a singe vehicle crash resulting in his death. The Texas Department of Public Safety is investigating the incident. The Justice of the Peace pronounced the decedent at approximately 11:06 PM. No other persons were injured during this incident. The incident is captured on dash camera video and documented in Bertram Police report # 2020-00198.
