Was the deceased under restraint in the time leading up to the death or the events causing the death?

Under Restraint: No

Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On November 7, 2021, Ximenez, Johnny was booked into the Live Oak County Jail, charged with Public Intoxication. On November 8, 2021, the decedent was housed in a separation cell at approximately 7:04 P.M. Security checks were preformed within the Texas Jail Standards time frame. A check was completed on inmate Ximenez at approximately 8:33P.M. At which time the inmate appeared to be fine. The inmate appeared to have a medical issue at approximately 8:46P.M., which I later saw on the surveillance footage from Ximenez's cell. The next security check was completed at approximately 8:51P.M. During the security check, at approximately 8:51P.M., the jailer noticed that the inmate was mostly on the floor, with his neck and head on the bunk. The jailer tried to get the inmate's attention without any success. The jailer called for assistance, another jailer arrived at the cell at approximately 8:53P.M., then both jailers entered the cell. The inmate was assessed by the jailers. The jailers then placed the inmate flat on the floor, and began chest compressions on the inmate, until Emergency Medical Staff arrived at the jail and took over the scene. The inmate was pronounced deceased at approximately 9:44P.M.
