Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

Inmate: Sheehan, Zachariah
CR# 87527
Date: 03/18/2021
Time: 1720

On the above date at approximately 1720hrs. Officer Tamara Mathis called for assistance via radio. I, Sgt. Allen Martinez along with Cpl. Jonathan Torres, Officer Shaina Johnson and Officer Conner Patterson exited Central Control and ran up the stairs. Once on the second floor we proceeded to Cell 2092 where Officer Mathis had requested for assistance.

Upon our arrival I observed Inmate Sheehan hanging from the air condition vent above the center day room table in Cell 2092 with officers attempting to hold him up and cut him down. Inmate Sheehan utilized his white in color county issued sheet to hang himself. Officer John Dodds, Officer Ian Jarvis were holding Inmate Sheehan up and Officer T. Mathis had her arms wrapped around his upper torso with her arms underneath his arms, Officer Patterson was attempting to cut the sheet utilizing his K.E.R.T.-CRKT cutting tool but was having issues due to the way his head was positioned. I reached for my K.E.R.T.-CRKT cutting tool and immediately was handed a K.E.R.T.-CRKT cutting tool by Officer Melinda Charleston. I was successful in cutting the sheet above the knot and Inmate Sheehan was lowered to the day room table then lowered to the floor of Cell 2092. While officers moved him to the floor I changed radio channels, contacted dispatch and requested to have EMS respond for a hanging. I at that time started chest compressions and called for someone to bring the AED Machine. I continued chest compressions, CMA Brumbelow responded with the Zone 2 Scott Air Pack Case which she thought contained the AED Machine. I continued chest compressions and did not stop until the AED Machine arrived and ready for use. While continuing chest compressions Cpl. Torres utilized K.E.R.T.-CRKT cutting tool to cut Inmate Sheehan's yellow in color County issued uniform shirt

away from his person in order to apply the AED PADS. I continued chest compressions, Officer S. Johnson arrived with the Zone 2 AED Machine and began to set up for use. I continued chest compressions and stopped only to apply and activate the AED Machine. The AED Pads were applied according to the diagram shown on the pad on to his right breast area and the other to his lower left abdomen area. The AED Machine conducted its initial test then instructed for chest compressions. Cpl. Torres then started chest compressions and stopped when instructed by the AED to stop. Officer Patterson then took over chest compressions and immediately stopped due to waiting for the machine to conduct its test. Once complete the AED advised to continue chest compressions, I Sgt. Martinez started chest compressions and stopped when instructed. Officer Patterson and CMA Brumbelow then alternated giving chest compressions as instructed by the AED until EMS arrived to take over. EMS arrived and took over the medical emergency. EMS applied a chest compression system then secured Sheehan to a back board, secured to the gurney and transported out the facility to the and transported to CMC ER by ambulance.

Inmate Sheehan was later sent by life flight from Citizens Hospital to Memorial Herman Hospital in Houston Texas on 03/18/2021. Inmate Sheehan was placed on life support until 04/15/2021 due to the family not wanting to take him off life support. On 04/15/2021 Sheehan's father Jeremy Sheehan consented to taking him off life support. Zachariah Sheehan passed away on 04/20/2021 at approximately 1640 Hrs.
