## Summary of Incident

Summary of How the Death Occurred: (max. 30,000 characters)

Summary:

On 04/18/2020 Mr. Lai had began hitting his cell door with a cup and officers responded. Once officers opened the door Mr. Lai attacked officers. Officers attempted to gain control and had to use necessary force to detain Mr. Lai. Mr. Lai was shot with a JPX pepper jail gun in the chest to gain compliance. Mr. Lai was immediately seen by medical staff Rachael Miller to insure he was okay. Mr. Lai was then placed in a holding cell to be monitored by staff and medical staff due to his unusual behavior. Medical staff Rachael Miller returned to the jail later that evening to check on Mr. Lai again. Mr. Lai was then monitored by staff and medical for the day of 04/19/2020.

On 04/20/2020 at 12:15PM I had the nurse go with me to check on Mr. Lai. Mr. Lai was awake but I could not get any information from him due to language barrier. At this time Nurse Georgetta Hudson checked Mr. Lai blood sugar which read 26. At 12:20PM we immediately gave Mr. Lai Glucagon 1mg in the right deltoid in hopes it would raise his sugar level. We then notified our Jail Doctor about this incident. At 12:46PM Sugar level was 46. At 1:20PM Sugar level was down to 34. At 1:30PM we notified our jail doctor and ordered to take him to the Emergency Room. Mr. Lai was in rout to the Emergency Room at 2:02PM. At 4:30PM we were notified that Mr. Lai had been intubated. At 5:40PM. Mr. Lai was flown to Medical City Plaza in Fort Worth.

On 04/21/2020 at 8:54AM The doctor at Medical City Plaza Fort Worth contacted our office and recommended that Mr. Lai be placed as DNR (Do not Resuscitate). She stated that doing further CPR would only make things worse as it was extremely damaging to his body. Due to Mr. Lai having no known contacts and every attempt was made to contact his son, the decision to allow medical staff to continue with their recommendation came from the Hood County Sheriff, Roger Deeds.

On 04/21/2020 at 7:09PM I was contacted by Medical City Plaza Nurse Kim that Mr. Lai had passed away. Medical City Plaza Hospital Doctor arrived and officially pronounced deceased on 04/21/2020 at 7:10PM. The ruling from the hospital was Cardiac Arrest. He had been under a doctors care for over 24 hours so no

autopsy was done and no family members are around to be contacted. His body was donated to UNT per Tarrant County protocols of no family members.
